

- There have been reminders on the offenses and penalties against erring bidders and officials
2. Noted comment/reaction from the BAC representatives, bidder, and observers:
- The COA made a comment on the BAC's decision of allowing a prospective bidder's representative (PESO Resources Development Corporation) to attend the pre-bid conference but did not bought the bidding documents;
 - The BAC Chairman made it clear that the said representative would not be allowed to participate in the discussion as it would attend merely as an observer, and that allowing it to be such is in view of upholding RA 9184's principles of transparency and competitiveness.

There having no other remaining topics for discussion, the pre-bid conference adjourned at about 11:00a.m..
